RE: WILLIAM WERNEKE

Dear Sir:

WILLIAM WERNEKE called at the Chicago Field Office on February 13, 1940 and stated that he had just left the Federal Grand Jury at Chicago where he had been subpoenaed by the United States Attorney to appear before that Body; that he personally did not know the exact purpose of his being brought before the Federal Grand Jury other than when taken before same they questioned him in connection with any anti-Semitic actions he might have been involved in and in particular his connection or relationship with FATHER COUGHLIN of Detroit, Michigan. Regarding this, WERNEKE stated that on one occasion he did meet and talk with FATHER COUGHLIN and he was well acquainted with several of the friends and acquaintances of FATHER COUGHLIN and has also listened to his various radio talks.

WERNEKE stated that he is a member of what is known as the Joint Committee of Patriotic Organization of Chicago, a Corporation of which the following officers are now in charge:

WILLIAM WERNEKE, President (resides with mother, MRS. MARTHA WERNEKE at 6250 S. Wayne Ave., Chicago, Ill., telephone Briargate 4767)
MR. B. BLACKY, Secretary (resides somewhere on Cleveland Avenue in Chicago, the exact address which he did not know).

RECORDED & INDEXED

He advised the purposes of this committee were to protect the United States Constitution, to love and protect our Country, to love and protect the American flag and to engage in all other activities in furtherance of the various phases set out above. WERNEKE stated also that while he is not a member of the Christian Front Organization, the only thing that he knew about it was what he had read in the newspapers and the newspaper edited by FATHER COUGHLIN known as "Social Justice". He stated that from time to time

RE: WILLIAM WERNEKE

for the past year and one-half or two years he has corresponded with the Silver Shirt Organization and the Pelley Publishing Company, from which company he has from time to time purchased various books and pamphlets; that he is not a member of the Pelley Organization; that the Joint Committee of Patriotic Organization of Chicago have no office but receive their mail through Post Office Box 3620 in the Merchandise Mart Building; that in addition MR. WERNEKE stated that he owned a farm about two miles west of Wadsworth, Ill. where he has 14 saddle horses. He stated these saddle horses are really race horses but that due to the lack of sufficient funds, he is unable to use these horses at various race tracks; that in addition thereto he is a member of the National Rifle Association and has from time to time for several years past purchased a quantity of rifles some of which he keeps at the farm and the rest of which he keeps at his residence, 6250 S. Wayne Avenue.

MR. WERNEKE advised that on February 3, 1940 he took the negative part in a debate with WILLIAM GELLERMAN, a Professor of the Northwestern University who took the affirmative side of the debate on "Is Father Coughlin a Danger to America?"; that this debate was given under the auspices of Montparnasse, an Organization that meets regularly at the Skyline Athletic Club located at 188 West Randolph Street, Chicago; that at this debate about 99 per cent of the audience were of the Jewish nationality and in defending FATHER COUGHLIN, WERNEKE stated that he was all but mobbed by the audience; that he was "booed" continuously and it was almost impossible for him to assume the negative part in the debate. He stated from what he could learn of the Montparnasse, it was composed entirely of the Jewish nationality consisting of those that had more or less of a radical tendency.

As to the exact purpose of his being subpoenaed by the Federal Grand Jury at Chicago, WERNEKE stated he could not understand why he was called but believed that it was at the suggestion or request of the Anti-Defamation League; that he has been accused of having a rifle range on his farm and that he was training a Fascist Army there and also that his farm was used for training what is known as Storm Troops. This WERNEKE emphatically denied stating, however, that some time during the summer of 1939 he invited several of his friends out to the farm. They set up some targets and shot

Director 2/14/40

RE: WILLIAM WERNEKE

with the rifles during the entire afternoon. After the shooting was completed, the targets were removed; that also about a year to a year and one-half ago a large number of Jewish people with baseball bats stormed his farm and did bodily harm to anyone they happened to find at the farm at that particular time; that since that time, the sheriff, TOM KENNEDY of Waukegan, Illinois, Lake County, has been making frequent trips possibly two or three times a week out to the farm to see that no harm came to anyone who might be living there or visiting the farm.

WERNEKE'S mission to the office, he stated, was to request that this Bureau make an inspection of the farm to prove that he did not have any rifle range or any range of any sort on his farm premises. He was informed by Special Agent T. F. MULLEN of this office that the Bureau could not do this. He further stated that any additional information about him could be learned through Sheriff KENNEDY at Waukegan in connection with the possible destruction of his farm property. He further volunteered the information that the Chicago headquarters of the Silver Shirt Organization was located in the Mystic Book Shop in the Kimball Building on Jackson Boulevard and Wabash Avenue in Chicago; that HUGO EGER operates this book shop and claims to be the head of the Pelley Organization in Chicago. He stated that MR. EGER was one of the other witnesses who had been subpoenaed to appear before the Federal Grand Jury. Another witness to appear before this Grand Jury was HOMER MERTZ who was recently convicted and sentenced to serve ten years in the Illinois State Penitentiary in connection with the alleged breaking of windows in the Goldblatt Brothers store located at Chicago Avenue and Ashland. He also remembered another witness by the name of RAYMOND HEALY but either could not or would not give any information concerning him.

Re: SUBVERSIVE MATTERS

Dear Sir:

Reference is made to Chicago personal and confidential letter to the Bureau dated February 14, 1940, which was captioned WILLIAM WERNEKE.

I wish to advise that Agents of the Chicago office have received information from various sources around the Federal Building concerning persons who were subpoenaed to appear before the Federal Grand Jury at which time they were questioned concerning their activities and connections. It has been determined that this matter was presented to the Grand Jury by Assistant United States Attorney [redacted] who, as the Bureau knows, acts somewhat in the capacity of confidential secretary to United States Attorney WILLIAM J. CAMPBELL. The following persons were subpoenaed for appearance in connection with the case entitled United States vs. CASSIDY, et al, Title 18, Section 6, U. S. Code:

SUBVERSIVE ACTIVITIES

It is believed that these individuals were called in or subpoenaed telephonically, although this has not been verified.

The Bureau will understand that no effort was made to contact these witnesses; however, all information was obtained from WILLIAM WERNEKE when he voluntarily appeared at the Chicago office at which time he indicated he was under the impression that the F.B.I. had made an investigation and that as a result of this he was subpoenaed before the Grand Jury.

11 The best information which has been obtained at this time indicates that O. JOHN ROGGE, Assistant Attorney General, stated that he wanted the testimony of these persons transcribed and forwarded to Brooklyn. A check at the United States Clerk's office reflects no indictment has been returned to date and it appears that none was intended, although this cannot be definitely stated inasmuch as it is the policy of the United States Attorney at Chicago to have the actual indictment signed by MR. WILLIAM J. CAMPBELL himself and it is known that he is presently out of the city. Therefore, if a true bill were returned against any or all of these persons, this office could not verify same until it was made a matter of record in the United States District Court or until information could be obtained informally and unofficially from a member of Mr. CAMPBELL'S office. J)

No direct inquiry has been made at the office of the United States Attorney and none is contemplated in the absence of contrary instructions from the Bureau.

Very truly yours,

W. S. DEVEREAUX,

Relative to your inquiry concerning [redacted] b7D
I wish to advise that this individual at no time has been authorized to inform that he is working with this Office. This individual has on past occasions furnished some smattering of information relative to the above entitled case. Most of his information has been found to be unreliable.

He advised Special Agent (A) Robert E. He inquired as to whether it would be proper for him to contact the Memphis Office and offer his services. He was advised it would be proper for him to present himself to the Special Agent in Charge of the Memphis Office, but under no circumstances was he authorized to approach the Memphis Office having in mind obtaining their assistance relative to gaining employment.
